Regarding Installation and onsite services, this quote is for estimation purposes and is not a guarantee of cost for sign services for installation. The Estimate is based on current information from client about the project. Actual cost may change once project elements are finalized. Client agrees that sign service & repair will add on the cost of ballast, LED lights, lamps, sockets, wiring and other components to restore sign illumination as needed only. Client must request and approve complete replacement of lamps.

Client may choose to pay for a site survey wherein we will inspect the sign illumination and will provide an itemized list of replacement components the sign needs.

RESOLUTION

WHEREAS sidewalks are installed throughout NatureWalk at Seagrove for public use; and

WHEREAS it is in everyone's best interest to uniformly maintain our sidewalks in good repair for the sake of safety, liability and appearance; and

WHEREAS the best way to accomplish uniform and timely sidewalk maintenance is to manage it centrally and treat it as a common expense; and

WHEREAS at the present time, the NatureWalk at Seagrove Declaration of Covenants, Conditions and Restrictions (the "Declaration") places responsibility upon individual property owners for the maintenance and repair of that portion of sidewalk that adjoins the front border of their property and thus disallowing central maintenance; and

WHEREAS all sidewalks presently within the NatureWalk Community Development District (the "District"), with the exception of sidewalks on HOA property at 25 Sage Circle, are owned by the District; and

WHEREAS sidewalk and concrete contractors in the South Walton County area do not take on small repair jobs, making it difficult for; and

WHEREAS owners of units with front-entry driveways having a section of sidewalk that traverses their driveway shall continue to be responsible for maintenance and repair of that portion of sidewalk that falls within their driveway easement;

THEREFORE, be it resolved that, conditioned upon the NatureWalk at Seagrove Homeowners' Association (the "HOA") changing Article 7.12 of the Declaration to absolve owners from responsibility for maintenance and repair of any existing sidewalk along the front of their property except for any portion of sidewalk that traverses the owner's driveway easement, the District will agree to take over responsibility for maintenance and repair of those sidewalks and bear the expense thereof beginning in the budget year following such legally recorded change to the Declaration. This does not apply to sidewalks on HOA property, which shall continue to be the responsibility of the HOA, nor does it apply to any sidewalks that may be constructed within the District in the future after the date of this resolution.
