**Ratification of the Operations and  
Maintenance Expenditures for the  
Month of February 2024**

On a motion by Mr. Egizii, seconded by Ms. Coram, with all in favor, the Board ratified Operations and Maintenance Expenditures for the Month of February 2024, in the amount of \$50,498.17 for NatureWalk Community Development District.

57  
58  
59

**FOURTH ORDER OF BUSINESS**

**Staff Reports**

60  
61 **A. District Landscape Provider**

62 **1. Presentation of District Landscaping Reports**

63 Ms. Smith reviewed the landscaping reports with the Board, discussed dates for  
64 future projects, presented FY24-25 budget input and relayed GreenEarth's  
65 preferences with regard to coordinating irrigation adjustments with the HOA  
66 landscape provider, BrightView.

67  
68 **B. District Counsel**

69 **1. Update on Parcels**

70 Mr. Brown provided an update on parcels E, G, I and K-1 There has been no further  
71 progress on the Quiet Title action to clear the titles on Parcels G, I and K-1 and no  
72 final bond debt settlement. Tract E is scheduled to close the end of next week.

73  
74 **2. Update on Tract 290 Easement Request**

75 Mr. Brown spoke to representatives for the bond debt holders about securing  
76 continuing access to the State Forest road. They were not willing in the past and  
77 remain unwilling now to grant an easement. As it's unknown what a future parcel  
78 owner's development plans will be, an easement could affect the value of the property  
79 and repayment of the outstanding bonds.

80  
81  
82  
83  
84

Ms. Coram asked Counsel to address questions from NatureWalk homeowners. Mr. Brown stated the CDD has not yet identified a definitive alternative plan around Parcels 290-291-292 to the State Forest trail if an easement by the future owner of 290 is not granted. The land surrounding these parcels is encumbered by a

**NATUREWALK COMMUNITY DEVELOPMENT DISTRICT**  
**April 4, 2024 - Minutes of Meeting**

85  
86 Conservation Easement held by either the Water Management District or the  
87 Department of Environmental Protection (DEP) and has restrictions on what can be  
88 done on that property. It is speculative to say whether there would be continued  
89 access granted when the parcels are sold, but the District could pursue an easement  
90 once development plans are known. It is premature to spend time and money to  
91 develop an alternative access through the CDD Conservation Easement Area until it  
92 is known there in fact will not be continued access through Parcel 290.

93  
94 Ms. Coram asked the District Engineer to speak on the entities and processes  
95 involved to pursue alternative access to the State Forest trail. Mr. Martelli has spoken  
96 with an Environmental Scientist familiar with South Walton County procedure. It is a  
97 possibility and a process which involves petitioning through applications to the Florida  
98 DEP to modify the existing CDD Conservation Easement. It is not a short or easy  
99 process to amend a Conservation area; the Environmental Scientist suggests  
100 budgeting 1.5-2 years.

101  
102 Ms. Coram posed the possibility of seeking an easement between Parcels 290 and  
103 291, then petitioning the DEP, State and County for a shorter boardwalk rather than  
104 going around all three parcels since Mr. Martelli previously stated that any  
105 improvement must have a net zero effect to the wetland area, and a boardwalk is a  
106 costly endeavor as well. Mr. Martelli confirmed that the process does entail  
107 employment of mitigation techniques to improve the quality of segments of the  
108 wetlands somewhere else within the site. The Conservation Area is DEP, but there  
109 are two jurisdictions for the wetlands, including the Army Corps of Engineers which  
110 typically requires boardwalks through wetlands, to provide the least amount of impact.

111  
112 Mr. Brown confirmed that the cost to install and maintain an alternate access to the  
113 State Forest trail would be allocated among all the EAUs in the District based upon  
114 the existing assessment methodology. In short, the cost would be shared by all  
115 property owners within the community.

116  
117 Mr. Egizii asked if the parcel owner could install infrastructure to Parcel 290, but not  
118 turn it over the District, creating a private road and making alternate access via  
119 boardwalk necessary. This is a theoretical possibility. Discussion ensued on road  
120 placement and the cost of a boardwalk around the parcels, with the Board noting that  
121 a much shorter boardwalk between Flatwoods Forest Loop and Phase 3 was priced  
122 at over \$78,000 several years ago, exclusive of permitting, engineering, legal and  
123 perpetual maintenance costs.

124  
125 Based on a question asking if the District was willing to ensure continued access to  
126 the State Forest trail, the Board discussed steps taken in the past to do so. Mr. Egizii  
127 stated when the Forestry Service first placed their gate at San Juan Avenue, the  
128 District requested emergency access to the south in case of natural disaster or forest  
129 fire. In addition, the District requested emergency exit to the north through the Parcel  
130 (H) owner's gate in Phase 3. Ms. Coram stated when the HOA was concerned that a

**NATUREWALK COMMUNITY DEVELOPMENT DISTRICT**  
**April 4, 2024 - Minutes of Meeting**

131  
132 second Forestry Services gate would be installed at the north end of their path to stop  
133 LSV traffic through the forest, a CDD barrier was placed on Lily Lane to restrict trail  
134 access to bicyclists and pedestrians only.

135  
136 Mr. Grubbs asked if Counsel had been contacted by anyone regarding the bond debt  
137 amount on Parcel 290, 291 or 292. Mr. Brown has not been contacted. It's possible  
138 the bidder is unaware of the bond debt.

139  
140 Mr. Grubbs inquired if individuals could purchase Parcel 290, pay the bond debt  
141 and sell it to the HOA or District, being paid back by Special Assessment to property  
142 owners. Mr. Brown stated yes, theoretically, but the bond debt would need to be  
143 resolved first. If the debt is paid in full, the individuals would own the property clear  
144 of any lien except ongoing District Operations and Maintenance assessments and  
145 could offer it for sale to the HOA or District.

146  
147 Mr. Brown stated in the case of the CDD, funds are unavailable to purchase Parcel  
148 290.

149  
150 Discussion ensued about the possibility of exercising Eminent Domain, which Mr.  
151 Brown is not aware has ever been done by a CDD, and potential litigation should  
152 property owners within the District disagree with the purchase of a parcel that resulted  
153 in the levying of a Special Assessment.

154  
155 Mr. Egizii asked if the CDD can purchase land within a District. Mr. Brown said yes.  
156 The process to secure funding could include a Special Assessment, issuance of an  
157 additional bond if the purchase price is significant, issuance of additional ad valorem  
158 taxes, by including the cost in the budgeting process over several years via non-ad  
159 valorem taxes. Time frame requirement for each option varies. The District would  
160 be required to go to Circuit Court to validate the issuance of bonds, which is a  
161 month-long process of putting together a complaint filing, getting a hearing set,  
162 waiting for entry of a final judgement and a certificate of no appeal. To fund a  
163 Special Assessment through an upcoming budget cycle would require the next set  
164 of tax bills being issued and then being paid, which is typically December or January  
165 of the following year.

166  
167 The Board discussed with Mr. Brown the possibility of bringing in experts in District  
168 financing and different avenues of contractual agreements for the purchase of the  
169 parcel along with parcel cost. Discussion confirmed the sale of the parcel is set for  
170 May 2, 2024, and the Board's next meeting is scheduled for May 2, 2024. There is  
171 insufficient time for purchase.

172  
173 Mr. Lee stated, and Mr. Brown confirmed that to his knowledge, the May 2, 2024, tax  
174 deed sale does not include any other parcels.

Mr. Egizii stated with the budget workshop cycle starting, the Board's challenge is to determine what amount of extra legal and engineering should be included to start the process of planning for alternate access. Ms. Coram asked what amount should be budgeted for an easement. Mr. Brown suggested speaking with a real estate appraiser, because the amount for an easement could vary wildly, depending what development is possible on the parcel. Mr. Lee suggested obtaining budget financing studies to discuss the options open to the District.

Discussion ensued with audience members. Mr. Duffey asked if Parcel 290 is the only encumbrance to NatureWalk continuing to use the State Forest trail. The Board explained that the State also needs to allow continued access to their forest service road and that in the past, Forestry Service had considered closing it due to continued LSV traffic, resulting in the installation of a barrier at Lily Lane.

Mr. Brown resumed answering homeowner questions submitted in writing, confirming path access through Parcel 290 may terminate immediately following the tax deed sale, even if bond debt is not paid off immediately by the property owner. There is no specified timeframe for a settlement. For example, Tracts G, I, K-1 are in litigation to clear the title to the properties without a finalized debt settlement, though they are being direct billed for the 2007A Bonds. Failure to resolve the debt or pay District O&M assessments or county taxes could result in losing the property to another owner who pays those liens. After a tax deed sale, the District sends a letter to notify the purchaser of the total amount of the bond debt due and begins direct billing the 2007A bonds for the bondholder.

Mr. Brown confirmed that the District cannot preclude access to Parcel 290. The District is not required to improve the existing trail to Parcel 290 or provide infrastructure for the parcel owner. While there's an interest in trying to ensure that there is continued access to the State Forest Trail, there is no requirement for the CDD to do so. However, doing so could be a bargaining chip in exchange for an easement through Parcel 290 to the State Forest trail. Alternatively, the HOA could allow the parcel owner to join the Association in exchange for an easement.

Mr. Brown confirmed the current owner of Tract E on Beargrass Way did enter into a reduced debt settlement agreement with the bondholder. The amount of the reduction was not readily available.

A request to pause the discussion on the 290 parcel was made to allow for the District Engineer, Mr. Martelli to give his report. Following Mr. Martelli's report, discussion of parcel 290 resumed. Mr. Martelli had to leave the BOS meeting at 2:00pm.

The Board discussed how to determine the cost of easements through parcels, legal and engineering costs for the permitting process required to amend the CDD conservation area and the cost of installing boardwalks that require perpetual maintenance.

Mr. Egizii suggested the Board plan for the worst-case boardwalk scenario, without an easement through Parcel 290, and budget to start the engineering and legal processes in the fall to get a variance from the DEP for the wetland incursion if needed. Mr. Lee suggested asking Mr. Brown to bring someone in with financing expertise to help with the budget process.

Board discussion determined the District's next steps are to seek an easement from the Parcel 290 owner after the tax deed sale takes place, but budget for alternate access, a process that could take 1.5-2 years. Mr. Egizii noted that the HOA might also be able to assist with an easement by allowing Association membership, offering access to NatureWalk amenities.

3. *Update on HOA Irrigation MOU*

Discussion with Mr. Brown determined that a formal MOU is unnecessary. The Board agreed that Green Earth will regulate all controllers for the District's irrigation system, including those zones that irrigate HOA property. BrightView may contact Green Earth and the District if adjustments are needed to system timing for HOA property. All communications between BrightView and Green Earth are to be in writing via email with Barbara Tato, Jonette Coram and Rizzetta copied. An HOA representative must approve the request prior to any adjustment. The CDD will audit, repair and maintain all irrigation lines on the District system, including those on HOA property.

On a motion by Ms. Coram and seconded by Mr. Lee, with all in favor, the Board authorized Green Earth to regulate the District irrigation system and to perform all audits, repairs and maintenance of irrigation lines, including those on HOA property. The District will be responsible for payment of these services.

1. *Resolution of Pond 28 Beaver Dam, Habitat and Weir Reconstruction SOW*

Mr. Martelli discussed the requirements of removing the Beaver Dam and general discussion ensued. Coastal Wildlife Removal advises there might be a requirement to relocate the beaver on the same body of water. Mr. Martelli is currently looking for a contractor to remove the dam and put the stormwater management pond back to its previous state.

2. *Review of 1121 Sandgrass Erosion Repair by Emerald Coast Scapes*

Mr. Martelli approved the Scope of Work that Emerald Coast Scapes submitted for the 1121 Sandgrass Erosion Repair.

3. *Bridge one (1) West approach Scope of Work for Speed Bump Installation*

**NATUREWALK COMMUNITY DEVELOPMENT DISTRICT**  
**April 4, 2024 - Minutes of Meeting**

263 Mr. Martelli opened discussion with the Board regarding the speed bump  
264 installation. Mr. Lee and Ms. Coram discussed matters regarding the speed bump  
265 installation and signage. Mr. Egizii emphasized the goal of the speed bumps is to  
266 reduce yearly maintenance costs on the bridges and to slow down motorists. Mr.  
267 Egizii made a motion to accept the current proposals as written.  
268

On a motion by Mr. Egizii, seconded by Mr. Grubbs, with a 4-1 vote, the Board authorized the proposals for the installation of concrete cement at the Bridge 1 west approach by Pat Shea's Concrete in the amount of \$3950.00 with a \$2000 contingency, followed by installation of six (6) speed bumps and six (6) regulatory signs by Coastal Seal Coating & Striping, INC. in the amount of \$14,650.00 with a \$2000 contingency. Total project cost is \$22,600.00

269  
270 **4. Scope of Work for Pond 12 Fence at 28 Salamander**  
271 Mr. Martelli detailed recommendations for the items that will need to be repaired.  
272 Ms. Coram asked if this was something that Virgin Brothers could do and  
273 requested a not to exceed amount. Mr. Martelli and Board had general  
274 discussion.  
275

On a motion by Ms. Head, seconded by Mr. Egizii, with all in favor, the Board authorized Virgin Brothers to make the necessary repairs to the Pond 12 fence with a not to exceed of \$5,000.00.

276  
277 **5. Pond 12 Fence Line Encroachment Update**  
278 Mr. Martelli recommended surveys for each independent lot; Ms. Coram  
279 requested an estimate for the surveys. Mr. Martelli recommended that the Board  
280 budget a \$3,000 not to exceed amount. Ms. Coram and Mr. Martelli agreed to  
281 present at next meeting. Mr. Martelli also reported that the Pond 12 bulkhead has  
282 deteriorated. Ms. Coram asked Mr. Martelli to inspect the bulkhead at Pond 12  
283 and provide a scope of work for repair or replacement.  
284

On a motion by Ms. Coram, seconded by Ms. Head, with all in favor, the Board approved District Engineer Jim Martelli to make a site visit and inspect the bulkhead at Pond 12.

285  
286  
287 **6. Discussion on CR395 Speed Limit Reduction Request to Walton County**  
288 A previously denied request to Walton County Traffic Control to improve safety  
289 in and around the entrance to NatureWalk at the Sandgrass Blvd / CR 395  
290 Intersection by lowering the speed limit to 25mph was revisited. Mr. Martelli  
291 stated that a report with exhibits that would substantiate the request to reduce the  
292 speed limit is required. The petition must be presented to the Board of County  
293 Commissioners by Traffic Engineer Chance Powell for approval. General  
294 discussion between the board regarding past damage to and the current state of

295 the existing crosswalk signs took place. Ms. Tato offered to provide data from the  
296 HOA's speed radar sign for the petition.  
297

On a motion by Ms. Coram, seconded by Mr. Egizii, with all in favor, the Board approved District Engineer Jim Martelli to develop the petition with exhibits and schematics to reduce the speed to 25mph at the Sandgrass Blvd / CR395 intersection in the amount of \$4,500.00.

**EIGHTH ORDER OF BUSINESS**

**Discussion and Consideration of  
Stormwater Fencing Around All  
Retention Ponds Adjacent to Streets**

Ms. Coram led the general discussion with the Board regarding the fencing locations. Mr. Egizii withdrew consideration of this business item, noting the cost for each pond and how this may negatively impact homeowners and vendors that need access to ponds to complete work.

**NINETH ORDER OF BUSINESS**

**Discussion and Consideration of  
Inspection & Structural Assessment  
Of Vehicular Bridges Proposal**

Ms. Coram recommended that the Board consider having Atlas Engineering provide a Structural Vehicular Assessment and Pedestrian Walkways Report of Bridges 1-2-3-4 as the last report was done in 2021. The Board discussed the option of having Atlas Engineering also make a site visit in April to put together an overview of areas of concern for FY24-25 budgetary purposes.

On a motion by Mr. Egizii, seconded by Ms. Head, with all in favor, the Board approved a Structural Assessment Report to be done by Atlas Engineering in the amount of \$5000 and to schedule a site visit for budgetary purposes in April.

**RESOLUTION 2024-06**

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE NATUREWALK COMMUNITY DEVELOPMENT DISTRICT DESIGNATING A DATE, TIME AND LOCATION FOR A LANDOWNERS’ MEETING AND ELECTION; PROVIDING FOR PUBLICATION; ESTABLISHING FORMS FOR THE LANDOWNER ELECTION; AND PROVIDING FOR SEVERABILITY AND AN EFFECTIVE DATE.**

**WHEREAS**, Naturewalk Community Development District (“**District**”) is a local unit of special-purpose government created and existing pursuant to Chapter 190, *Florida Statutes*, being situated entirely within Walton County, Florida; and

**WHEREAS**, pursuant to Section 190.006(1), *Florida Statutes*, the District’s Board of Supervisors (“**Board**”) “shall exercise the powers granted to the district pursuant to [Chapter 190, *Florida Statutes*],” and the Board shall consist of five members; and

**WHEREAS**, the District is statutorily required to hold a meeting of the landowners of the District for the purpose of electing Board Supervisors for the District on a date in November established by the Board, which shall be noticed pursuant to Section 190.006(2), *Florida Statutes*.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF NATUREWALK COMMUNITY DEVELOPMENT DISTRICT:**

1. **EXISTING BOARD SUPERVISORS; SEATS SUBJECT TO ELECTIONS.** The Board is currently made up of the following individuals:

<u>Seat Number</u>	<u>Supervisor</u>	<u>Term Expiration Date</u>
1	Jonette Coram	November 2024
2	Todd Egizii	November 2024
3	Skylar Lee	November 2026
4	Danell Head	November 2026
5	Mike Grubbs	November 2024

This year Seat 1, currently held by Jonette Coram, Seat 2, currently held by Todd Egizii, and Seat 5, currently held by Mike Grubbs are subject to election by landowners in November 2024. The two candidates receiving the highest number of votes shall be elected for a term of four (4) years. The candidate receiving the next highest number of votes shall be elected for a term of two (2) years. The term of office for each successful candidate shall commence upon election.

2. **LANDOWNER’S ELECTION.** In accordance with Section 190.006(2), *Florida Statutes*, the meeting of the landowners to elect Board Supervisor(s) of the District shall be held on the \_\_\_\_\_ day of November, 2024, at \_\_\_\_\_ a.m./p.m., and located at \_\_\_\_\_.

3. **PUBLICATION.** The District’s Secretary is hereby directed to publish notice of the landowners’ meeting and election in accordance with the requirements of Section 190.006(2), *Florida Statutes*.

4. **FORMS.** Pursuant to Section 190.006(2)(b), *Florida Statutes*, the landowners’ meeting and election have been announced by the Board at its May 2, 2024 meeting. A sample notice of landowners’

meeting and election, proxy, ballot form and instructions were presented at such meeting and are attached hereto as **Exhibit A**. Such documents are available for review and copying during normal business hours at the District's Local Records Office, located at the office of the District Manager, 120 Richard Jackson Boulevard, Suite 220, Panama City Beach, Florida 32407, Ph: (850) 334-9055.

5. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

6. **EFFECTIVE DATE.** This Resolution shall become effective upon its passage.

**PASSED AND ADOPTED THIS 2<sup>nd</sup> DAY OF May, 2024.**

**EXHIBIT A**

**NOTICE OF LANDOWNERS' MEETING AND ELECTION AND MEETING OF THE BOARD OF SUPERVISORS OF THE NATUREWALK COMMUNITY DEVELOPMENT DISTRICT**

Notice is hereby given to the public and all landowners within NatureWalk Community Development District (“**District**”) the location of which is generally described as comprising a parcel or parcels of land containing approximately 153.04 acres, generally located east of County Road 395, and north, south and west of Point Washington State Forest in Walton County, Florida, advising that a meeting of landowners will be held for the purpose of electing three (3) people to the District’s Board of Supervisors (“**Board**”, and individually, “**Supervisor**”). Immediately following the landowners’ meeting there will be convened a meeting of the Board for the purpose of considering certain matters of the Board to include election of certain District officers, and other such business which may properly come before the Board.

DATE: \_\_\_\_\_  
TIME: \_\_\_\_\_  
PLACE: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Each landowner may vote in person or by written proxy. Proxy forms may be obtained upon request at the office of the District Manager, 120 Richard Jackson Boulevard, Suite 220, Panama City Beach, Florida 32407, Ph: (850) 334-9055 (“**District Manager’s Office**”). At said meeting each landowner or his or her proxy shall be entitled to nominate persons for the position of Supervisor and cast one vote per acre of land, or fractional portion thereof, owned by him or her and located within the District for each person to be elected to the position of Supervisor. A fraction of an acre shall be treated as one acre, entitling the landowner to one vote with respect thereto. Platted lots shall be counted individually and rounded up to the nearest whole acre. The acreage of platted lots shall not be aggregated for determining the number of voting units held by a landowner or a landowner’s proxy. At the landowners’ meeting the landowners shall select a person to serve as the meeting chair and who shall conduct the meeting.

The landowners’ meeting and the Board meeting are open to the public and will be conducted in accordance with the provisions of Florida law. One or both of the meetings may be continued to a date, time, and place to be specified on the record at such meeting. A copy of the agenda for these meetings may be obtained from the District Manager’s Office. There may be an occasion where one or more supervisors will participate by telephone.

Any person requiring special accommodations to participate in these meetings is asked to contact the District Manager’s Office, at least 48 hours before the hearing. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Manager’s Office.

A person who decides to appeal any decision made by the Board with respect to any matter considered at the meeting is advised that such person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which the appeal is to be based.

**INSTRUCTIONS RELATING TO LANDOWNERS' MEETING OF  
NATUREWALK COMMUNITY DEVELOPMENT DISTRICT  
FOR THE ELECTION OF SUPERVISORS**

DATE OF LANDOWNERS' MEETING: \_\_\_\_\_, November \_\_, 2024

TIME: \_\_\_\_\_ .M.

LOCATION:

Pursuant to Chapter 190, *Florida Statutes*, and after a Community Development District (“**District**”) has been established and the landowners have held their initial election, there shall be a subsequent landowners’ meeting for the purpose of electing members of the Board of Supervisors (“**Board**”) every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), *Florida Statutes*.

A landowner may vote in person at the landowners’ meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. Moreover, please note that a particular parcel of real property is entitled to only one vote for each eligible acre of land or fraction thereof; therefore, two or more people who own real property in common, that is one acre or less, are together entitled to only one vote for that real property.

At the landowners’ meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

This year, three (3) seats on the Board will be up for election by landowners. The two candidates receiving the highest number of votes shall be elected for a term of four (4) years. The candidate receiving the next highest number of votes shall be elected for a term of two (2) years. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.

LANDOWNERS' MEETING – NOVEMBER \_\_, 2024**

KNOW ALL MEN BY THESE PRESENTS, that the undersigned, the fee simple owner of the lands described herein, hereby constitutes and appoints \_\_\_\_\_ (“Proxy Holder”) for and on behalf of the undersigned, to vote as proxy at the meeting of the landowners of the NatureWalk Community Development District to be held at \_\_\_\_\_, on \_\_\_\_\_, at \_\_\_\_\_ a/p.m., and at any adjournments thereof, according to the number of acres of unplatted land and/or platted lots owned by the undersigned landowner that the undersigned would be entitled to vote if then personally present, upon any question, proposition, or resolution or any other matter or thing that may be considered at said meeting including, but not limited to, the election of members of the Board of Supervisors. Said Proxy Holder may vote in accordance with his or her discretion on all matters not known or determined at the time of solicitation of this proxy, which may legally be considered at said meeting.

Any proxy heretofore given by the undersigned for said meeting is hereby revoked. This proxy is to continue in full force and effect from the date hereof until the conclusion of the landowners’ meeting and any adjournment or adjournments thereof, but may be revoked at any time by written notice of such revocation presented at the landowners’ meeting prior to the Proxy Holder’s exercising the voting rights conferred herein.

# Jimmy's Towing Pros, Inc

## Private Towing Service Agreement

This agreement is between Jimmy's Towing Pros, Inc (JTP) &

\_\_\_\_\_ (organization name) located at  
\_\_\_\_\_ (subject property address)  
\_\_\_\_\_

JTP agrees to provide private towing services (removal of unauthorized vehicles parked on subject property) upon the organization's request by an authorized representative of the organization (subject to availability of JTP's tow trucks). JTP is agreeing to this service provided that the following conditions are met and maintained:

1. The organization makes a \$400.00 deposit to cover a "Gone on Arrival" (GOA) event. A GOA fee will occur at any time after a tow truck is dispatched, and the operator is unable to collect the vehicle for any reason. When a GOA event occurs, a \$200.00 deduction will be made from the deposit and a notification of these charges and current deposit balance will be sent to the organization. When the deposit is depleted, these services will be suspended until an additional deposit is made. When JTP is able to successfully collect a vehicle from the subject property, a GOA fee will not be charged to the organization, and all incurred charges (towing, labor, storage, etc...) will then become the responsibility of the vehicle owner.
2. To prevent any conflict between a vehicle owner and a JTP tow truck operator, one of the organization's representatives (i.e. security patrolman) or a Walton County Sheriff's Deputy must be present at the time of service.
3. The organization must provide and maintain a list of representatives who are authorized to request the services described in this agreement. The organization must also ensure proper training is provided to the authorized representatives of the GOA policy.
4. The organization will also be responsible to be compliant with any state and local regulations and statutes regarding signage.

This agreement can be canceled by either party at any time. Upon cancellation of this agreement, JTP will refund any outstanding deposit balance to the organization within 30 days upon receipt of a written request to do so.

Constitutes the entire agreement between the aforementioned parties and includes the scope of service, guarantees, terms and conditions, pricing, and payment responsibilities for landscape services provided at:

Nature Walk CDD

Santa Rosa Beach, FL 32459

### **Muhly Grass Enhancement Proposal**

\*Pricing is subject to change at any time during the course of the Project/Enhancement due to price of material and supply/demand.

Any necessary irrigation modifications are not included in this work order and will be billed time and materials at our current irrigation labor rate.

Work order scope:

Muhly Grasses – Remove and Replace

To remove all dead and replace with 100 muhly grasses - \$5,000.

Removal and replacement will be determined by a CDD board member and a GreenEarth representative.

This will be a strategic plan as we want to ensure the sidewalks are not overcrowded with grasses or left bare.

Once locations have been determined a map can be drawn up for approval.

## **ALTERATION APPLICATION- GENERAL**

OWNER'S NAME: Jennifer and Brian Mier DATE: 03.04.2024  
 ADDRESS: 50 Salamander Circle Santa Rosa Beach, FL 32459 PHONE: 214-364-5136  
 E-MAIL: jennifertmier@outlook.com

 **(Initial):** You agree to submit adequate pictures to Rizzetta within 14 days of completion of the approved application showing what changes were done.

DESCRIBE IN DETAIL, TYPE OF ALTERATION, MATERIALS TO BE USED & CONTRACTOR INFORMATION:

Waste Management will not pick up our trash since the original placement of the trash corral is more than 14 feet from curb. They have requested we move the trash corral or place the trash cans out by the curb the night before trash pick up. There are not a lot of suitable locations for the trash corral. We have provided a document illustrating where the current trash corral is located and where we would like to relocate it. Please consider our request to relocate the trash corral. Kindest regards- Jennifer Mier

**RESOLUTION 2024-07**

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE NATUREWALK COMMUNITY DEVELOPMENT DISTRICT APPROVING THE PROPOSED BUDGETS FOR FISCAL YEAR 2024/2025; DECLARING SPECIAL ASSESSMENTS TO FUND THE PROPOSED BUDGETS PURSUANT TO CHAPTERS 170, 190 AND 197, FLORIDA STATUTES; SETTING PUBLIC HEARINGS; ADDRESSING PUBLICATION; ADDRESSING SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the District Manager has heretofore prepared and submitted to the Board of Supervisors (“**Board**”) of the NatureWalk Community Development District (“**District**”) prior to June 15, 2024, the proposed budgets (“**Proposed Budgets**”) for the fiscal year beginning October 1, 2024 and ending September 30, 2025 (“**Fiscal Year 2024/2025**”); and

**WHEREAS**, it is in the best interest of the District to fund the administrative and operations services (together, “**Services**”) set forth in the Proposed Budgets by levy of special assessments pursuant to Chapters 190 and 197, *Florida Statutes* (“**Assessments**”), as set forth in the preliminary assessment roll included within the Proposed Budgets; and

**WHEREAS**, the District hereby determines that benefits would accrue to the properties within the District, as outlined within the Proposed Budgets, in an amount equal to or in excess of the Assessments, and that such Assessments would be fairly and reasonably allocated as set forth in the Proposed Budgets; and

**WHEREAS**, the Board has considered the Proposed Budgets, including the Assessments, and desires to set the required public hearings thereon;

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE NATUREWALK COMMUNITY DEVELOPMENT DISTRICT:**

**1. PROPOSED BUDGETS APPROVED.** The Proposed Budgets prepared by the District Manager for Fiscal Year 2024/2025 attached hereto as **Exhibit A** are hereby approved as the basis for conducting a public hearing to adopt said Proposed Budgets.

**2. DECLARING ASSESSMENTS.** Pursuant to Chapters 190 and 197, *Florida Statutes*, the Assessments shall defray the cost of the Services in the total estimated amounts set forth in the Proposed Budgets. The nature of, and plans and specifications for, the Services to be funded by the Assessments are described in the Proposed Budgets and in the reports (if any) of the District Engineer, all of which are on file and available for public inspection at the “**District’s Office**,” c/o Rizzetta & Company, 120 Richard Jackson Blvd., Suite 220, Panama City Beach, Florida 32407, (850) 334-9055. The Assessments shall be levied within the District on all benefitted lots and lands, and shall be apportioned, all as described in the Proposed Budgets and the preliminary assessment roll included therein. The preliminary assessment roll is also on file and available for

public inspection at the District’s Office. The Assessments shall be paid pursuant to the *Uniform Method* as set forth in Chapter 197, *Florida Statutes*.

**SETTING PUBLIC HEARINGS.** Public hearings on said approved Proposed Budget and Assessments are hereby declared and set for:

DATE: \_\_\_\_\_  
HOUR: \_\_\_\_\_ a.m./p.m.  
LOCATION: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**3. TRANSMITTAL OF PROPOSED BUDGETS TO LOCAL GENERAL PURPOSE GOVERNMENT.** The District Manager is hereby directed to submit a copy of the Proposed Budgets to Walton County at least sixty (60) days prior to the hearing set above.

**4. POSTING OF PROPOSED BUDGETS.** In accordance with Section 189.016, *Florida Statutes*, the District’s Secretary is further directed to post the approved Proposed Budgets on the District’s website at least two (2) days before the budget hearing date as set forth in Section 3, and shall remain on the website for at least forty-five (45) days.

**5. PUBLICATION OF NOTICE.** The District shall cause notice of the public hearings to be published in the manner prescribed by Florida law.

**6. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

**7. EFFECTIVE DATE.** This Resolution shall take effect immediately upon adoption.

**PASSED AND ADOPTED THIS 2<sup>nd</sup> day of May, 2024.**
